

UILT QUIZ

Quilting is the stitching holding the fabric together!

Fun Facts:

You can hand sew or machine sew the layers together.

The pattern appears on a quilt when the stitches flatten the wadding and the unstitched areas puff up!

QUILT QUIZ

Quilting began over a thousand years ago!

Fun Facts:

There is evidence of quilting from 3400BC from the Egyptians!

In England we can trace quilting back to the 13th Century when people used quilting to wear under their armour!

Most quilts do not have dates on them so we look at the fabric, colours, patterns, condition and other quilts to guess their age.
