

Have a closer look at your textile object. See if you can answer these questions:

How old do you think it is?  
Are there any clues to help  
you find out?

What materials can  
you see in your  
object?

What patterns can  
you see?

## What can a textile tell me?

Write or draw your answers in the circles

Who do you think made  
your object and why?

How and where do you  
think it was made?

Why do you like/dislike  
it?
