

Make Do and Mend Workshops

Workshop 1

WEDNESDAY 28TH JULY – 10-30 – 12-30PM

MAKE YOUR VERY OWN VE DAY BUNTING - TO BE USED IN AND AROUND YOUR HOME ie: for parties, childrens bedrooms, kitchen, playrooms etc.,

REQUIREMENTS –

Scraps of fabric – no less than 8” OR 20cm squares – cotton or polyester fabrics work best – choose a co-ordinating colour scheme (perhaps to go with the decoration in the room you will be making it for) - if you have got old skirts, blouses, dresses etc., and you like the fabric, just wash it first and then cut it up ready for use

Bias binding tape 13mm wide – again choose the colour to complement the bunting – however long you want the finished bunting to be then that is the amount of bias binding you will require

Matching sewing thread and a sewing machine bobbin

Tacking thread, pins, scissors, ruler and hand sewing needle
