QUILT QUIZ

No, lots of men do quilting too!

Fun Facts:

The majority of quilters are women, but many men do it too!

The quilt on the left was made by a man and dates back to 1860!

Quilts were often made by tailors as they had access to small pieces of fabric that were left over from making or altering uniforms.

Soldiers that had been injured would sometimes take up sewing as a hobby.

QUILT QUIZ

Quilts are made for both!

Fun Facts:

Hundreds of years ago, many people lived in poor conditions and so they made quilts to keep warm.

Over time people began to see how interesting and pretty quilts could be, so they started to be used as a decoration in rooms!
